1. SCOPE

- 1.1 All applicants to the University College of Osteopathy (UCO) will be asked at the application stage to declare whether they have any convictions, cautions, reprimands or final warnings which would not be filtered in line with current guidance. Their attention will be drawn to this policy and procedure.
- 1.2 Procedure Owner: The UCO's student and applicant DBS disclosure procedures are owned by the Academic Registrar and HR Manager who are responsible for ensuring that the UCO complies with the DBS codes of practice and the UCO's own stated procedures.
- 1.3 New Students: Study at the UCO is dependent on the registrant providing enhanced DBS registration checks using the following procedure.
- 1.4 New Staff: when appointing to a new or existing role the HR team will determine whether an enhanced DBS registration check is necessary.

2. PROVISIONS OF THIS POLICY

- 2.1 Where an unspent/unprotected conviction, caution, reprimand or warning is declared by an applicant, an early enhanced DBS check is requested. Where enhanced DBS checks show convictions, cautions, reprimands or warnings, the DBS Risk Assessment Procedure will be triggered.
- 2.2 All other student applicants will be required to complete an enhanced DBS registration check at the point of registration.
- 2.3 Where enhanced DBS registration checks show convictions, cautions, reprimands or warnings, the DBS Risk Assessment Procedure will be triggered.
- 2.4 All students are required to notify the Academic Registrar of any conviction for a criminal offence which they incur whilst a UCO student. Any such disclosure will then trigger the DBS Risk Assessment Procedure.
- 2.5 All staff are required to notify the HR Manager of any conviction for a criminal offence which they incur whilst in employment/working for the UCO. Any such disclosure will then trigger the DBS Risk Assessment Procedure.

3. DBS APPLICATION PROCEDURE

- 3.1 Applicants/new students are instructed to bring with them the relevant original documents required to confirm identity in accordance with the DBS rules currently in force, as defined in the Accepted Identification Documents list and are informed that these documents may be photocopied.
- 3.2 An authorised DBS counter-signatory completes the standard ID document checklist contained on the DBS application form and the applicant/new student completes the additional details as required.
- 3.3 A record is kept of the serial number of the disclosure application form, the date on which it was issued and to whom.
- 3.4 The counter-signatory will take payment by cash, card or cheque, issuing a receipt to the student.

- 3.5 The DBS check for new employees will be funded by the UCO. The new employee is expected to register for the DBS update service within the timescale dictated by the DBS. The new employee is responsible for the ongoing fee to register for the DBS update service.
- 3.6 On receipt of their certificate from the DBS, applicants/students must bring it to HR/Registry, where a copy will be made. A note of the date of issue of forms is made on the record. A decision is made on the basis of the information contained on the certificate as follows:
- 3.7 No Convictions or Further Information Disclosed: If no convictions or further information are disclosed, the disclosure form is disposed of after six months via shredding.
- 3.8 Convictions and/or Further Information are Disclosed: If the disclosure contains information about convictions or is accompanied by further information, the DBS Risk Assessment Procedure will be triggered.

- 3.10 An applicant has the right to appeal against any decision by the DBS Risk Assessment Group resulting the offer of a place on the course/offer of employment be rescinded, using the DBS Risk Assessment Group appeal process.
- 3.11 The appeal is dealt with in accordance with the DBS Risk Assessment Group procedure. The investigation may include obtaining external professional opinion on individual cases, for example from a professional or regulatory body or other appropriate agency.

4. STORAGE & ACCESS

- 4.1 Disclosure information is never kept on an applicant's/student's file and is always kept separately and securely, in lockable, non-portable, storage containers with access strictly controlled and limited to those who are entitled to see it as part of their duties.

5. HANDLING

- 5.1 In accordance with Section 124 of the police Act 1997, Disclosure information is only passed to those who are authorised to receive it in the course of their duties. This includes the Authorised Counter-signatory, Academic Registrar, HR Manger, Admissions team and members of the DRB Risk Assessment Group. We maintain a record of all those to whom DBS certificate information has been revealed and we recognise that it is a criminal offence to pass this information on to anyone who is not entitled to receive it.

6. USAGE

- 6.1 Disclosure information is only used for the specific purpose for which it was requested and for which the applicant's/student's full consent has been given.

7. RETENTION

- 7.1 Once an application decision has been made, we do not keep DBS certificate information for any longer than is absolutely necessary. This is generally for a period of up to six months, to allow for the consideration and resolution of any disputes or complaints. If, in very exceptional circumstances, it is considered necessary to keep DBS certificate information for longer than six months, we will consult the DBS and inform the applicant before doing so.

8. DISPOSAL

- 8.1 Once the retention period has elapsed, we will ensure that any DBS certificate is immediately and suitably destroyed by secure means, i.e. by shredding.
- 8.2 While awaiting destruction, certificates will not be kept in any insecure receptacle (e.g. waste bin or confidential waste sack).
- 8.3 We will not keep any photocopy or other image of the certificate or any copy or representation of the contents of a certificate. However, notwithstanding the above, we keep a record of the date of issue of a certificate, the names of the subject, the type of certificate requested, the role for which the certificate was requested, the unique reference number of the certificate and the details of the application decision taken.

APPENDIX 2: DISCLOSURE & BARRING SERVICE DECLARATION FORM

A satisfactory DBS enhanced check is a condition of employment for some clinical roles at the UCO / registration on pre-registration courses. In the case of a member of staff, applicant or student having an unspent/unprotected conviction, caution, reprimand or warning, a risk assessment will be carried out to determine whether this will affect their offer of employment/entry/ progression on the course.

If you have any convictions, cautions, reprimands or warnings which would not be filtered in line with current guidance, please complete this form as soon as possible. The risk assessment will be carried out on the basis of the information contained within the DBS certificate regarding offer of employment/entry/progression. Therefore it is important that this form is completed accurately to avoid a further risk assessment being required.

If you are a new or existing member of staff: complete this form and submit it to the HR Manager.

If you are an applicant to the UCO: complete this form and submit it to the Admissions Officer.

If you are an existing student at the UCO: complete this form and submit to the Academic Registrar.

DBS RISK ASSESSMENT GROUP PROCEDURE

1. The Chair of the DBS Risk Assessment Group will, normally within three working days of the receipt of a positive DBS check or unspent/unprotected conviction, caution, reprimand or warning declaration, notify the member of staff/student/applicant concerned that a risk assessment is being carried out.
2. If the Chair of the DBS Risk Assessment Group deems the offence committed to be serious and relevant s/he will recommend to the Principal that the member of staff/student is suspended until the Group has made its recommendation. Any initial suspension would normally be a maximum of two weeks. The Chair may then request an extension if two weeks is not sufficient time to complete the Group's investigation/risk assessment.
3. The Chair will conduct an initial review of the content of the certificate, and complete the DBS Risk Assessment Form in consultation with the Academic Registrar (in the case of applicants / students) and the HR Manager (in the case of members of staff). Where the risk is deemed to be low, the process will be deemed to be complete.
4. Where the initial review deems the risk to be medium or high, or where it is considered that further review would be helpful, the DBS Risk Assessment Group will be convened, normally within ten working days.
5. During this time the Chair of the DBS Risk Assessment Group may request:
 - a) A personal statement from the member of staff/student/applicant about the offence, to include any relevant circumstances that may have impacted on their actions.

- d) Is there anything the UCO can do to mitigate and manage any risk? (This may include a behavioural/conduct agreement.)
- e) Does the Group need to ask for further information to be able to make a decision on the risks involved?
- f) Are there any consequences for the UCO's Capability Procedure / Student Fitness to Practise and Professional Behaviour Policy?
7. The Group should decide to agree which of the following courses of action is most appropriate:
- a) That the member of staff/student/applicant is asked to leave their post/the course/the applicant has their request for a place on the course declined.
 - b) That the member of staff/student/applicant is allowed to continue in post/with their course of study.
 - c) That the member of staff/student/applicant is allowed to continue in post/with their course of study subject to certain requirements and support arrangements.
8. The Group may decide that further information is required before it makes its decision.
9. The Group may also wish to discuss what action should be taken in relation to the member of staff/student/applicant should her/his behaviour at the UCO not be of an acceptable level. The action may include:
- a) Whether the behaviour of the member of staff/student/applicant should trigger the UCO Capability Procedure / Student Fitness to Practise and Professional Behaviour Policy.

 - c) Other.
10. The Group should also discuss and decide:
- a) If appropriate, who is responsible for monitoring the member of staff / student / applicant's future behaviour.

- c) Who at the UCO needs to be advised of the circumstances of the member of staff/student's continuation in post/on the course or applicant's admission to the course.
11. The member of staff/student/applicant will normally be informed of the Group's decision within five working days of its meeting.
 12. Within five working days of the Groups decision, the member of staff/student/applicant may appeal in writing to the Principal, stating the full grounds of the appeal. If, in the view of the Principal, the appeal letter casts doubt on the validity of the decision, an appeal hearing will be convened to re-examine the case in the light of the member of staff/student/applicant's additional evidence.
